

## Progress Update

**Permits approved, footings poured and production facility rebuild underway.** We would like to advise that, at this stage, our Naval Base production facility rebuild is progressing according to the builders schedule. We are still due to start producing **Cherish Pet Food** in **late June of this year** and will provide further updates as they occur.

We apologise for any inconvenience caused and the lengthy delay. We look forward to having **Cherish Pet Food** available as soon as possible.

**We take care of the science, so you can  
Cherish more moments together.**
